Dinner Meeting Notice

Tuesday, **SEPTEMBER 7**, 2017
(One week prior to our normal meeting date)

SMART CITIES

Presented by Eric E. Rensel, Gannett Fleming, Inc. Vice President and Project Manager for Traffic Incident Management Systems

The buzz term of “smart cities” is receiving renewed attention due to several factors. It is important that practicing Architects and Engineers, as well as supporting industry partners understand that smart cities are about more than the technology. Collaboration with a myriad of people with different perspectives and different backgrounds will result in the best smart cities projects. During this presentation, attendees will learn how to discern technology projects from smart cities projects. Attendees will also hear about recent case studies and thought processes of communities seeking “smart” projects.

Our dinner meeting will be held at the **RADISSON HOTEL**, 1150 Camp Hill Bypass, Camp Hill, PA

Attitude Adjustment at 6:00 p.m. Dinner at 6:30 p.m.

President's Message

Chapter Members,

I hope you are having a fun summer.

The Middle Atlantic Region event for this month I would like to highlight is LOS – August 11th and 12th. It is being held again at Heritage Hills Hotel and Resort in York. A tour of the Glen Gery plant in York is scheduled for Friday afternoon. In between the usual seminars and training sessions on Saturday, we will enjoy miniature golf and ice cream. (The ice cream is deemed mandatory by Mitch Miller of the Greater Lehigh Valley Chapter.) Anyone interested in chapter leadership is welcome to attend. Our summer social event will once again be a York Revolution baseball game on Tuesday, August 22nd. More information will be forthcoming on the ticket prices and the pre-game social hour.
