President's Message

Dear Members and Colleagues,

I hope many of you were able to attend the 2018 Exhibitor's Show at the Radisson. The weather treated us well. Please let us know what you thought of the change in format to a latter opening of the exhibit floor. I want to give a big "thank you" to Paul Hertzler for doing a great job organizing the event. I also want to thank Kathryn Sterner, our President-Elect, for developing posters and post cards to advertise the CDT course planned for to run from May through June.

The Middle Atlantic Region Conference is coming up this month from April 19th through the morning of April 22nd. Please think about attending all or part of it if you can.

Institute elections are ongoing now through April 3, 2018. I hope you take the opportunity to vote if you haven't already. Our region has three candidates – Marvin Kemp, Steve Lowery, and LeAnn Slattery.

Our meeting this month will be a tour event. We will be touring a new net zero energy building on the campus of Millersville University on Wednesday April 11th. This is a special joint event with the American Society of Estimators. More information on when to arrive and dinner will be forthcoming. Because this event is on Wednesday, the board meeting will be at 5 PM in the conference room of GAFFLEC Architects in Camp Hill.

Yours truly,

Robert Loftin, CSI, CDT, AIA
CPC President
