## President's Message

Dear Members and Colleagues,

My term of two years as your chapter president has almost come to an end. It has been my pleasure to serve you and represent the chapter at regional and national events. As I move to the position of past-president, I would encourage any member to take advantage of the educational and leadership opportunities I have been exposed to at region conferences and CONSTRUCT events.

Speaking of leadership opportunities, Margaret Chewning, the MAR nominations chair, has asked me to encourage chapter members to volunteer for Middle Atlantic Region committee positions. I can say that I have had nothing but good experiences working with people in our region. They are some of the nicest and most capable individuals I have ever met. If you want to get good leadership experience, working for CSI at the region and institute level could offer an excellent opportunity for you.

Our meeting this month our meeting will be the annual awards dinner. This is where we get a chance to honor the people who help our chapter function. Please join us to say thanks to our volunteers. Our speaker will be Loni Warholic of the American Subcontractors Association, Central PA chapter.

Yours truly,

Robert Loftin, CSI, CDT, AIA  
CPC President

## From the Editor's Desk

Greetings friends.

As we head into summer don't forget that LOS is happening in August. It's a great way to learn and connect with folks from our region in CSI. Both at the chapter and at the regional level there are great opportunities to volunteer. Now is exactly the time to jump in and join a committee! We're always looking for new folks to join the team ~ just talk to anyone on the board we'd be thrilled to have you!

As always, if you have things you would like to have published to the chapter, please get in touch.

The Central PA Chapter dues include all meals for the chapter program dinner meetings for the year. Come out to our meeting to network, socialize, and learn about timely subjects in the Construction Field.
