President's Message

Dear Members and Colleagues,

The Northern Virginia Chapter of CSI held an excellent region conference. The George Washington Wyndam Grand Hotel proved to be a terrific venue for MARC2018. Great service and excellent food. The theme of the conference was “Building Enclosure – Top to Bottom” covering vegetated roofing, air barriers and curtainwall design. Heath Suddleson was the keynote speaker for both luncheons. His topics were chapter management and membership growth and retention.

Middle Atlantic Region is looking for people who are willing to serve as committee chairs and committee members. If you are interested at helping CSI at the region level, let me know and I will pass your name along to Margaret Chewning, the region nominations chair.

A note about chapter elections –Central Pennsylvania Chapter will be voting on a new vice president and three directors. We plan on introducing the slate of candidates at the May dinner meeting. You will be receiving an email in May with a link to a SurveyMonkey ballot as we have done before. Please vote when you receive it.

Yours truly,

Robert Loftin, CSI, CDT, AIA
CPC President

From the Editor's Desk

Greetings friends.

It has been a busy spring as we head toward our final meeting / awards banquet in June. We're wrapping up another great year, but don't feel like it's time to step away! Now is exactly the time to jump in and join a committee! We're always looking for new folks to join the team ~ just talk to anyone on the board we'd be thrilled to have you!

As always, if you have things you would like to have published to the chapter, please get in touch.

The Central PA Chapter dues include all meals for the chapter program dinner meetings for the year. Come out to our meeting to network, socialize, and learn about timely subjects in the Construction Field.
