President's Message

Chapter Members,

Spring has sprung, rain has come and come and come. It's another beautiful day in Central PA, though. So, take a break from mowing the lawn and enjoy some quality time with your fellow CSI members. This is the month we recognize those that volunteer their time to keep Central PA CSI Chapter running and healthy. Those that have contributed their time and efforts on the board and with special programs, please come to the meeting and be recognized. Those that haven't had the opportunity to directly volunteer your efforts, please come to the meeting to show appreciation for those that have.

Chris Atwood and Jeff Turicik have worked together to set-up a venue that goes hand-in-hand with the program and a tour. I'm excited to see the facility and hear from the Architect and the Structural Engineer, one of our members, Ken Robinson!

Before you get too caught up in summer activities, please put a few things on your calendar. Watch our web site, cpc-csi.com, for a summer social event at the York Revolution ballpark. Also happening in York is the LEAD conference (formally LOS), where you can meet members of other chapters in the region and hear what they're doing, and what's happening on the nation level. LEAD is being held on August 16 and 17. Go to marcsi.org for more details. Finally, please be aware that June 24 is the deadline for early registration for this year's Construct. It's being held in National Harbor, Maryland from October 9 - 11. It's a great opportunity to attend a lot of educational programs, go on some tours and have a lot of fun with fellow CSI members. All three events are in our backyards, so I hope a lot of you can attend.

Kathryn Sterner

Central PA CSI Chapter President

From the Editor's Desk

Greetings friends.

Somehow we've reached the end of our regular program year. We're on the verge of our annual award dinner and then summer break! We've got some great stuff to look ahead to over the summer and a really strong start to the next meeting series in September. IF you have something you'd like to have published in CHOICE be sure to get it in over the summer. We're always looking for strong content. Our next regular issue will be in late August as we gear up for the next year.

Don't forget to connect with us on LinkedIn or Facebook and check out our website too for upcoming events!

Our Program Committee is seeking ideas for diverse, unbiased, educational presentations for the coming year (and beyond). If you would like to be part of our Program Committee, or just have some program ideas to share, please contact Chris Atwood (catwood@gfnet.com) or Jeff Turicik (JeffTurick@ykkap.com)

The Central PA Chapter dues include all meals for the chapter program dinner meetings for the year. Come out to our meeting to network, socialize, and learn about timely subjects in the Construction Field.
