## President's Message

Chapter Members,

"There's a wall between you and what you want and you got to leap it." – Bob Dylan  
(It encourages us to seize the moment, to bust through our fears and overcome obstacles.)

Finally we seem to be coming gradually past the restriction from Covid-19. Although we may be a little intimidated going out among others after being isolated for so long, it will be a great benefit to us to make the effort and overcome our reluctance.

Your Central Pennsylvania Chapter Board are working on setting up **face to face** meeting that will be starting with our **September** meeting officially. Look for more information on where this will be as the summer progresses.

Remember also our annual Ball Game Social at the York Revolution . It is another change to meet together and encourage one another after such a long dry spell.

There will be a CSI Convention, in person, on September 22 thru 24, 2021 in Nashville, TN. You can register at [www.csinational.conference.org](http://www.csinational.conference.org)

Have a great summer and we'll be looking forward to September to see all of you.

Rich Forsberg, CSI, CDT, ASPE

Central PA CSI Chapter President

### Old Business:

- 1)Credit card options: Eric asked if we want to have just a website interface or do we also want a physical devise at events. Board was leaning toward only having the website because they can probably pay from their phone. Bill and Eric had a meeting and will have more meetings to figure this "stripe" account works. There seems to be a lot of stuff behind the scenes to figure out ie payment and registration are different platforms
